This coffee boasts a wonderful chocolate-based flavour, coupled with a medium acidity with a berry-like flavour. It has creamy vanilla undertones and indulgent dark chocolate flavours, all encapsulated in a smooth and satisfying brew.

#### Honduras Coctecal Cooperative

The cooperative was founded in 2006; it is primarily made up of members from the Lempira Township. Lempira is situated in the hillside which is fed by natural springs in the area. This is a subsistent farming area, with coffee being intercropped with mangoes, rice and black beans. The cooperative continues to grow in membership and improve its coffee output.
