

Manual Fill Water Boiler

The Buffalo 10 litre manual fill water boiler is a powerful and versatile addition to commercial premises. Ideal for mobile caterers, cafes, B & Bs and staff rooms, the kettle is perfect for buffet-style breakfast service. The easy to clean, fully-welded stainless steel construction ensures that the urn is strong, water-tight and durable. With a powerful 2600W concealed element and variable temperature control, the Buffalo commercial boiler can be used to keep water below boiling if necessary. Supplied with sturdy handles to ensure the unit is portable and a non-drip tap which is robust and secure, the boiler is a valuable addition to any commercial catering establishment.

Features and Benefits:

- Concealed Elements for Easy Cleaning
- Non-Drip Tap
- Tap Height: 123mm
- External thermal reset button
