

IBERITAL

Speciality coffee lovers, meet power

Iberital VISTA

DUAL BOILER Technology

Because your goals are on the horizon, and
IBERITAL VISTA is what keeps you moving.

Eco-Designed for comfortable and efficient movement, the height of the Iberital VISTA allows you to better see and interact with the customer, allowing you to effortlessly create a more personalised experience.

Automate and control the parameters of extraction with Iberital VISTA touchscreen display that provides greater precision.

Iberital VISTA comes with a dual boiler system, one boiler for coffee and one boiler for hot water and steam. With greater control, the barista can set the correct and precise temperature for serving coffee and ensure high temperature stability, even in peak hours and high demand coffee shops.
