DETAILED DIRECTIONS

- Grab a serving sized cup or use the serving size as a fill guide in the blender jug.
- *If making an ice blended drink add ice to the full level for the serving.*
- Add **1883 syrup or sauce** and **Kool Kup** (using the measure guide) then top up the drink for your chosen recipe using the choices below;
 - » **Iced coffee***
Chilled espresso and milk
 - » **Tea Frappe (ice blended)**
A mug of well brewed tea that's chilled.
 - » **Milkshake***
Cold milk
 - » **Coffee Frappe (ice blended)**
Chilled espresso and cold milk
 - » **Chillatte***
Cold milk
 - » **Choco Frappe* (ice blended or over ice)**
Cold milk and Kool Kup Topping pure Cocoa
 - » **Fruit Smoothie (ice blended)**
Water and either replace the ice with frozen fruit or add 1883 Creation FRUIT puree
- Then shake or blend, garnish and serve. * For non ice blended drinks like iced coffee we suggest serving over ice and reducing the liquid added by half.
- Garnish options - 1883 flavoured whipped cream, 1883 sauces, Kool Kup toppings.
